We are currently as per NJDOH continuing to conduct weekly testing for coronavirus on all staff and residents. We will continue to update you on these results.

We are as per the NJDOH allowing outdoor visitation with your family members. The Department of health is allowing in person visitation in a designated outdoor visitation space provided all infection prevention and control measures are met as outlined by the DOH. This includes social distancing with at least 6 feet apart from the resident and masks worn by all parties. The visitors cannot enter the facility but will meet outside.

This is by appointment only. Please reach out to Toinette, our activity director at 609-882-6900 to schedule. She will also advise further on the protocol for the visits.

We are hosting a weekly conference call with families. Our call will take place this week at Thursday at 2pm. An email with call in info will be emailed to all families.

We will contact you if your loved one is suspected or diagnosed with COVID-19.

We know that this is difficult time for everyone. We will continue to provide you with the updates as they become available. Please know that we are strictly adhering to all the directions from the local and state health department. We know that you may have questions and we encourage you to contact our facility.
